Description

Nestled in the prestigious neighbourhood of Padonan, Canggu, Villa Edsel Yuge 2 is a striking 3 bedroom luxury villa that sets a new standard for contemporary tropical living in Bali. Built across 200 sqm on a 200 sqm land parcel in a stunning two storey layout, the villa's architectural presence is immediately commanding a sculptural white facade with warm timber louvres, cascading garden walls, and dramatic floor-to-ceiling black-framed windows that glow beautifully at dusk. Every corner of this property has been designed with precision and artistry, making it one of the most visually impressive villas currently available in Canggu.

Step inside and the level of luxury only deepens. The fully enclosed living area is anchored by a statement sculptural pendant light, dark marble kitchen surfaces with brushed gold fixtures, and a sweeping open-plan dining and lounge space that flows directly to the private pool and garden through full-height glass doors. Each of the three bedrooms is finished to a boutique five-star standard, while the bathrooms are nothing short of extraordinary featuring full blue green marble walls, a freestanding teal soaking bathtub, brushed gold fittings, and amber glass pendant lighting that creates an atmosphere of pure indulgence. For monthly renters, the villa includes housekeeping three times a week, pool maintenance, gardening, internet, rubbish collection, and Banjar fees a truly all-inclusive luxury living experience.

Available for both monthly and yearly rent, Villa Edsel Yuge 2 is the ideal choice for discerning renters seeking a world-class home in one of Bali's most vibrant and well-connected neighbourhoods. Padonan places you moments from Canggu's finest beach clubs, restaurants, yoga studios, and surf breaks all while returning each day to a residence that rivals the finest boutique hotels on the island
